## OVERVIEW

Brengle Industrial Park is a well-positioned industrial flex complex featuring eight metal, pre-engineered buildings in the heart of Orlando's rapidly growing Packing District, just west of downtown.

Uniquely located outside the City of Orlando limits, this unincorporated site benefits from industrial zoning (IND-2/IND-3), offering added flexibility for a variety of business uses.

With immediate access to major transportation corridors, including John Young Parkway, I-4, and the 408 Expressway, Brengle Industrial Park provides businesses with exceptional connectivity and operational efficiency across Central Florida.
