

## Activity 2 | Teacher Guide

# Sketching Up A Storm

### Learning Intentions

Students will:

- Learn the skills to use sketching as a tool to develop and explain ideas.
- Extend themselves beyond their comfort zone, engaging in a design thinking process.
- Develop confidence in their ability to generate ideas which are a force for crazy good.

### Activity Outputs/Outcomes

What does successful learning look like?

- The student will have created a sketch of their idea.
- The student can speak to their idea and the crazy good impact it will make for their select user-group.
- Student's were able to tap into creative flow.

### Handy Tips

- Crazy, big, brilliant ideas are more than welcome. In fact, they're strongly encouraged.
- The goal of this activity is not to create a 'pretty picture', it is to bring an idea into being – stick figures are more than sufficient.
- These activities are designed to be fun!

### Resources

- Pencil
- Paper
- \*Optional - Printer (templates can be drawn by hand)

### Remote Learning

Teachers are reminded they will need to provide personalised instructions about where students are to post/upload/email/share their work, once completed.

### 21st Century Skills

The World Economic Forum's 21st Century Skills outlines key competencies and knowledge sets which enable young people to thrive in the modern world. This activity encourages learning across 7/16 of these skills.

They are:

- Critical thinking/problem solving
- Creativity
- Persistence/grit
- Adaptability
- Initiative
- Curiosity
- Social and cultural awareness

### Australian Curriculum Links General Capabilities
