# ABOUT LAKELAND

Built upon historic character, philanthropy and volunteerism, Lakeland offers its residents, businesses and visitors a true sense of place. Incorporated in 1885, Lakeland quickly became one of the premier cities in Florida. From the inaugural railroad service in the mid-1890's to being one of the first cities in Florida to have electricity, Lakeland has always been a hub of innovation and progressive ideas. Today, the City continues to thrive as population and business expansions are attracted to this area, the geographic center of Florida. Lakeland's economic base consists of warehouse, transportation and distribution, education, health care, manufacturing and retail.

Lakeland has received the distinction of being on Money Magazine's "Best Place to Live in America" list. In addition, Lakeland is home to Publix Supermarkets, Florida Southern College, which hosts the largest on-site collection of Frank Lloyd Wright architecture in the world, and is the winter home to the Detroit Tigers.

The City of Lakeland offers an exceptional quality of life. A firm commitment to downtown development, redevelopment, historic preservation, cultural amenities, and an exceptional business-friendly environment has helped Lakeland to thrive for nearly 140 years. Growth and progress exemplify our City all the while maintaining a sense of history and a hometown feel.
