EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the General Meeting to be held at Second Floor, 9 Havelock Street, West Perth, Western Australia on Wednesday 24 February 2021 at 11.00am (WST).

This purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting. It should be read in conjunction with the Notice of Meeting.

1 RESOLUTIONS 1 AND 2 – SPILL MEETING - DIRECTOR RE-ELECTIONS

1.1 Background

At the Company's 2020 AGM, the Company received a second "strike" on its remuneration report. Shareholders then approved an ordinary resolution requiring the Company to hold a general meeting of shareholders ("spill meeting") within 90 days of the passing of the resolution at which all of the directors of the Company (other than the managing director) who were in office when the directors' report (including the remuneration report) was approved at the 2020 AGM (and who remain in office at the start of the spill meeting) (**Existing Directors**), cease to hold office immediately before the end of the spill meeting and may stand for re-election.

Resolutions 1 and 2 seek Shareholder approval to re-elect the Existing Directors, being Mr George Petersons and Mr Joshua Pitt, at the spill meeting.

The Company has received no valid nominations for any other persons to be appointed as new directors of the Company at the spill meeting.

Under the Corporations Act, a public company such as Traka Resources Limited must have a minimum of three directors appointed at all times. Accordingly, if, at the close of the spill meeting, either of the Existing Directors of the Company is not re-elected, in accordance with the Corporations Act he will be appointed as a director, to make up the minimum number of three directors required under the Corporations Act.

1.2 Chairman's intention on voting undirected proxies

The Chairman currently intends to vote all undirected proxies FOR Resolutions 1 and 2.

1.3 Resolution 1 – Background on Existing Director - Mr George Petersons

Mr Petersons is an experienced prospector with over 30 years' history of identifying and acquiring prospective exploration ground. He is a founding director of the Company. He has established himself as a consultant to the industry with local and offshore mining interests in precious metals, potash and lithium. Mr Petersons is Managing Director of Future Minerals Company Limited (Thailand), a company involved in exploration and project development in South East Asia. Mr Petersons has held no other directorships of ASX listed companies during the last three financial years.

Mr Petersons is considered an independent director of the Company.

1.4 Resolution 2 – Background on Existing Director - Mr Joshua Pitt Bsc, MAusIMM, MAIG

Mr Pitt is a geologist with extensive exploration experience who has, for more than forty years, been a director of exploration and mining companies in Australia. Mr Pitt is involved in private mineral exploration and also in substantial resource investments. He was appointed a non-executive director of the Company in July 2003 and assumed the position of non-executive chairman in December 2019. He is the executive chairman of both Hampton Hill Mining NL (appointed a director in January 1997 and chairman in April 2012) and Red Hill Iron Limited (appointed a director in June 2005 and chairman in December 2019). He has held the position of non-executive director of Red Metal Limited since July 2003. Mr Pitt has held no other directorships of ASX listed companies during the last three financial years.

Mr Pitt is considered an independent director of the Company.
